Subject: BCLTA - Directory of Internet Access Policies now linked through BCLTA Website

**To: Library Board Chairs and BCLTA Liaisons
Please pass along to your board members.**

We've added a new link to our website that may be of interest to your board. This link will take you to a directory of Internet access policies for Canadian libraries in the public sector; including 96 public libraries.

As stated by its developer, "it is hoped that the directory will reduce the time and effort needed to find comparable resources and models for local policy development and critical evaluation."

To access the link, go to www.bclta.org. Under the tab "Resources", select "Internet Access Policies".

We are constantly updating our website. If you have any suggestions for changes, please contact me.
