Subject: BCLTA - Adding Resources to our Website

To: Library Board Chairs and BCLTA Liaisons

The most frequently asked question we receive at BCLTA is ... "can you recommend someone who can facilitate our strategic planning process?"

We would like to develop a list of well-regarded facilitators to post on the "Resources" section of our website. The posting would contain two pieces of information: 1 - contact information for the facilitator and 2) the name of the library that gave the referral.

Do you have the name of a facilitator that could be added to the list?

Thanks very much.
