Subject: Report from Select Standing Committee on Education - Now Available

To: **Library Board Chairs and BCLTA Liaisons** (apologies for cross-postings)

The literacy report of the BC Legislature's Select Standing Committee on Education is now available at <http://tinyurl.com/vtwcg>.

(If this URL doesn't work for you, you can go to http://www2.literacy.bc.ca/standing_committee2006.htm .)

This was the Committee that held hearings all over the province in April-May and many from the library community either spoke at that time, or made written submissions. BCLTA made a joint submission with BCLA and the BCLA Literacy Interest Group.
